

## Full Surrender an aspect of Deliverance

It is essential that a born again believer take to heart the Lordship of Jesus Christ. When you call God Lord, what do you mean? Is He Lord in word or in deed or both? Is He Lord over all aspects of your life, my body, my soul, and my spirit? These profound questions must be answered for each believer. How you answer those questions and how you live your life makes the difference between life and death, peace and chaos, joy and misery, freedom and bondage. The following article addresses this issue in detail. It is lengthy because this needs to be understood and fully embraced. It should guide you to a series of major life changing decisions. The following is only the first page of the article; the full article can be found at <https://www.bible-knowledge.com/the-full-surrender/>

### **Now That I Am Saved, What Do I Do Next? What Is The Next Step In My New Walk With The Lord?**

If there is one theme that you will see repeated over and over again in many of our articles is the extreme importance that each and every Christian turn their entire lives over to God the Father for Him to fully handle.

You have now just made Jesus your Savior. However, there is now one more big thing you must do. **You must now make Jesus the Lord over your life.** Jesus must now become both your Lord and Savior, not just your Savior.

You must now make the second biggest decision that you will ever make in this life. The first biggest decision is whether or not you will [accept Jesus as your personal Savior through His sacrificial death on the cross.](#)

Now that you have done that, you have become truly saved and born again.

**However, you are now faced with the second biggest decision that you will ever make in this life. And that decision is – who is going to run the rest of your life from here on in – you or God?**

**As you will see in the Scripture verses I will list below, the Bible makes it very clear as to who should be guiding your steps in this life – and that Person is God the Father through the Holy Spirit!**

This decision as to who will be running your life from here on in will determine the course your life will now take. If you decide to run your own life and call all of your own shots, then your life is going to take a completely different course as versus the one it would take if you would turn your entire life over to God the Father for Him to fully handle.
